## **MARGA MISSION**

The mission of MARGA is to create a fun, casual, friendly, and enjoyable golfing experience for participants at all playing levels, by facilitating competition, and fun golfing events. Being a member allows the golfer to meet new people, build friendships, and socialize on a weekly basis. We strive to meet the needs of our members, and always encourage their comments and suggestions.

---

## **MARGA GREEN FEES**

The City of Madison establishes the green and cart fees, that are paid by MARGA League members. These fees are paid to the course on the day of play.

City of Madison Seasonal Golf passes and Loyalty Cards can be used for green fees.

## **CONTACT INFORMATION**

MARGA members are encouraged to keep their contact information updated. It is especially important for league secretaries and schedulers to have your current e-mail address, so they can inform you of tee times, weekly event winners, as well as rain outs. Those that do not have e-mail should make sure that league secretaries and schedulers have current phone numbers.

Any change in your contact information should also be forwarded to the MARGA Data Base Coordinator, Ed Lippert. His phone number is 630-4958, or e-mail at [elippert@charter.net](mailto:elippert@charter.net). Ed will send out information on any MARGA wide events, such golf outings, tournaments, and the annual luncheon.

---

## **RAIN OUTS**

Every attempt will be made to make up any rain outs that occurred during the season. The schedule will be extended, as needed, to accomplish the playing of all 16 weeks. League schedulers will inform members of the additional dates. Rain dates are always played on the regularly scheduled day of league play.

During the 2017 season, only one league did not complete their 16 week schedule.

Moving the date of the luncheon to late September has allowed more time to complete a full schedule.

---

## **EXPENDITURE OF MARGA FEES**

League Fees of \$ 48.00 are paid back to the league members through prize money for weekly events. Each week, members contribute \$ 3.00 towards the award of cash prizes. Prizes are awarded for scorecard events, such as low gross, low net, and low putts. In addition to the scorecard events, prizes are also awarded for shot making on certain holes. League fees are also used for payouts to winners of league tournament play. Each flight of league play will have their own set of cash prizes. All league fees are paid back to the league members, through cash prizes.

Association Fees of \$ 15.00 are used to pay for various MARGA wide expenditures. These would include payment for the handicapping software, hosting of our website, printing of newsletters, brochures, and scorecards, as well as mailing, and publicity costs. A portion of the fees are also used to pay for awards to the winners of our league, Don Wendt, and Ed Lippert Tournaments.

## HANDICAPS

To get new registrants started in our leagues, they are asked to report an average nine hole score on their registration form.

A MARGA handicap will be established for them after they have posted one score in league play. During the season, the league secretaries will be entering all scores. Handicaps are re-calculated the first week of June, July, and August.

Handicaps are posted on the MARGA bulletin boards, located in each clubhouse. During the season, the handicaps are used to determine flights for league play. It is very important that each league member know their handicap and flight, so they sign the right flags for the weekly hole events during league play. The handicaps are course specific, so they may be different depending on the course you are playing. Handicaps are also determined for our golf outings, depending on the course being played.
