

“Word of Wisdom”

Most Wise and Honorable Confucius offers **Word of Wisdom**:

***“He who not sign flag...
may kick own butt...”***

Case in Point:

Most humble grasshopper approach green when he sees flag for **Longest Putt** planted off green in middle of fringe.

Grasshopper exclaim unto Most Honorable Playing Partner: *“Fringe not part of green... so not legal putt!”*

Most Honorable Playing Partner approach flag to inspect.

“Look, Grasshopper!” say Most Honorable Playing Partner,
“None of Most Honorable League Members have signed flag!”

“What?” shouts most humble grasshopper, *“How two-dozen Most Honorable League Members all chip in hole from off green?”*

“Not know...” shrugs Most Honorable Playing Partner... *“Maybe they all think putt not hold up?”*

“Hugh...” whisper most humble grasshopper, *“So does this mean that most humble grasshopper win flag with only one-inch putt?”*

“Guess so,” say Most Honorable Playing Partner... *“Perhaps, in future case, one may recall Most Wise and Honorable Confucius, who most graciously shared his **Word of Wisdom**...”*
